

Community Sewerage Systems Policy of the Town of Mansfield

The following resolution was approved for inclusion in the Policy Resolutions of the Mansfield Town Council at their May 12, 2008 meeting:

As approved by the Mansfield Water Pollution Control on December 14, 1987, the Planning and Zoning Commission shall limit its consideration of proposed community sewerage systems, as defined by the Connecticut General Statutes, to:

1. those community sewerage systems which are directly connected to sewer collection systems served by either the Town of Windham, the University of Connecticut or the Mansfield Training School sewer treatment facilities; or
2. those community sewerage systems which are determined by the WPCA to be necessary to correct sewerage disposal problems for existing land uses
